## Founders message

### **Shri Basavaraj Koulagi - Founder chairman, Excellent group of institutions**

At TGSE – The Global School of Excellence, we believe that quality education should be accessible, affordable, and future-focused. With modern infrastructure, dedicated educators, and a truly student-centered environment, we nurture children to grow academically, emotionally, and socially—without the need to look beyond their own city for great schooling. TGSE stands as a symbol of our commitment to holistic development, proving that excellence is not just a standard but a promise. Today, TGSE is more than a school; it is a beacon of hope and guidance for students across Vijayapura and surrounding regions, lighting the way toward a brighter and more confident future.
